Our Confession about Communion

Our Confession

1. Holy Communion is a divinely instituted act in which Jesus Christ gives His true (real) body and blood under the forms of bread and wine. We thus hold that the bread and wine are not mere symbols of Jesus' body and blood. When we receive the bread and wine we receive in fact the body and blood of Christ for the forgiveness of sins.
2. We believe that Communion is a celebration of this forgiveness which comes to us through faith as we eat and drink. In communion we remember our Lord's passion and death, His resurrection and ascension, and the promise of His coming again. Communion is truly the Gospel made visible, and is offered for those who "hunger and thirst after righteousness."
3. We believe that as we eat and drink this Supper we are strengthened in our faith in Jesus Christ and in our love for one another.

Therefore, we invite to the Lord's Table all who:

- a. have been instructed in the meaning of Communion; have been baptized in the name of the Triune God; have received Jesus Christ as their own personal and living Savior and Lord, and concur in our confession;
- b. are not living in open rebellion against the Word of God, and do not hold willful and persistent form of hatred, resentment or anger against any other person.

Those who have questions about communion are welcome to talk to the Pastor.

STEWARDSHIP CORNER

As students of the Bible, we have heard of Tabitha, aka Dorcas. We read about her in Acts 9:36-42. A miracle happened to her: She had died but was restored to life again through the ministry of Peter. She is introduced to us as one who *"was full of good works and acts of charity"* (verse 36). Who would think there was anything spectacular about a woman, known only to a small circle of people, who used her gift as a seamstress in service to others? Yet many churches have groups of women who serve others through their gifts and talents and who name themselves after that servant of the Lord, Dorcas. No gift is too small, no talent too inconsequential. God looks at our hearts and honors our gifts of service when they are done out of love and gratitude to Him.
